

REMARKS

Applicants have amended the specification, the claims and the drawings in order to better define the application for patent. No new matter has been presented as a result of the aforementioned amendments.

An early and favorable action is respectfully requested.

Respectfully submitted,

AMENDMENT TO THE DRAWINGS

Originally filed Figures 5 and 6 were referred to as prior art in the background section of the specification, however, the figures were not correspondingly labeled as prior art on Applicants' originally filed drawing sheet 3/3.

The enclosed drawing sheet, marked as "Replacement Sheet", is being submitted to appropriately identify Figures 5 and 6 as prior art. The replacement drawing sheet is in compliance with the requirements under 37 C.F.R. § 1.84.
